Hi Gina –

Could you please update WRPT's Pre-Award Certification (file: WRPT – Annual 2017-2018) – some fields are missing responses. This Pre-Award Cert is good Annually and for All EPA Programs. Is the tribe OK with that?

I attached the one from last year. I will need to get Pre-Award Cert in place before June 2017.

Any questions, please let me know. Thanks,
